INCREASING PHARMACISTS' AWARENESS OF 'ATTRACTIVE' ADVANCEMENTS IN TRANSTHYRETIN AMYLOID CARDIOMYOPATHY

Module 1: Recognizing Key Symptoms and At-Risk Patients

Speaker(s)

- **B. Andrew Mardis, PharmD, BCPS**
Clinical Pharmacist Advanced, Advanced Heart Health Center, Palmetto Health

Live Participation

- **ACPE UAN:** 0062-0000-22-080-L01-P
- **Date(s):** Monday, March 21 from 8:00-9:00 pm EST

Home Study Participation

- **ACPE UAN:** 0062-0000-22-080-H01-P
- **Home Study Release Date:** March 21, 2022 / **Home Study Expiration Date:** March 21, 2025

Credit

- **1 Contact Hour, Knowledge-based Program**

Learning Objectives

- **After participating in the proposed educational activity, pharmacists in all health care settings will be able to:**
 1. Recognize the distinct clinical manifestations associated with ATTR-CM in order to assist with the detection of this currently underdiagnosed disease in everyday practice
 2. Identify certain populations that are at greater risk of ATTR-CM so as to facilitate early screening and diagnosis before progression of the disease

INCREASING PHARMACISTS' AWARENESS OF 'ATTRACTIVE' ADVANCEMENTS IN TRANSTHYRETIN AMYLOID CARDIOMYOPATHY

Module 2: Optimizing and Increasing Access to Treatment

Speaker(s)

- **Hayley Davis, PharmD**
PGY2 Ambulatory Care Pharmacy Resident, Medical University of South Carolina Health
- **Morgan Lange, PharmD**
Specialty Pharmacist, Medical University of South Carolina

Live Participation

- **ACPE UAN:** 0062-0000-22-081-L01-P
- **Date(s):** Wednesday, March 23 from 8:00-9:00 pm EST

Home Study Participation

- **ACPE UAN:** 0062-0000-22-081-H01-P
- **Home Study Release Date:** March 23, 2022 / **Home Study Expiration Date:** March 23, 2025

Credit

- **1 Contact Hour, Application-based Program**

Learning Objectives

- **After participating in the proposed educational activity, pharmacists in all health care settings will be able to:**
 1. Compare and contrast available pharmacologic and non-pharmacologic treatment options for ATTR-CM
 2. Recommend and increase access to the most appropriate pharmacologic treatment options for patients suffering from ATTR-CM

ACPE Credit Information

The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. The target audience for these continuing education activities is pharmacists across a variety of practice settings. Please see the details provided below for specifics regarding faculty information, ACPE UANs, learning objectives, and CEU designations.

To claim CE credit, participants must attend sessions in their entirety (no partial credit will be awarded for attendance at a portion of a session) and must participate in all active learning activities and learning assessments through the virtual platform. In order to have CPE credit reported to the NABP CPE Monitor, participants must have their virtual attendance verified and must follow the “Instructions to Claim Credit” which will be provided to participants. This includes completing program and speaker evaluations at <http://cop.sc.learningexpressce.com> within 30 days and providing the correct NABP e-Profile ID and day/month of birth upon registration (please visit our website to view our policy on privacy and confidentiality of your personal information). Any credit not claimed within 60 days of participation will be rejected by the NABP CPE Monitor.

Technology Requirements

Following registration, details will be available regarding joining the virtual activity via Zoom. Participants must have a stable internet connection and be able to access Zoom (sign up for a free account in advance at <https://zoom.us>). Though a desktop computer or laptop may be preferable, Zoom can also be accessed via a smartphone.

Support

This activity is supported through an unrestricted educational grant from Pfizer Inc.

Questions

Please reach out to the **Continuing Education Department** at the University of South Carolina College of Pharmacy via email at CE@cop.sc.edu or by phone at **(803)777-9979** with any questions.
