

Target audience

This educational event is for primary care physicians, nurse practitioners, physician assistants, pharmacists, nurses and other health care professionals who treat HCV and HIV.

Goal

To enhance the capacity of participants to deliver high-quality care to individuals living with hepatitis C and HIV.

Educational methods

Lecture presentations with time for questions and answers will be used along with case-based discussions to facilitate the exchange of information and audience participation.

Accreditation and credit

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of South Carolina School of Medicine–Prisma Health-Midlands Continuing Medical Education Organization and South Carolina HIV Clinical Training Center. The University of South Carolina School of Medicine–Prisma Health-Midlands Continuing Medical Education Organization is accredited by the ACCME to provide continuing medical education for physicians.

The University of South Carolina School of Medicine–Prisma Health-Midlands Continuing Medical Education Organization designates this live activity for a maximum of **6.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacy (ACPE) Accreditation Statement

The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This program is accredited for a **total of 6.25 live contact hours (0.625 CEUS)** of knowledge-based learning activities for pharmacists. Credit hours and UANs for individual activities are displayed within the program agenda. Participants must sign in at the beginning of the symposium, attend and participate in each activity for which they claim credit in its entirety, and complete each activity's online ACPE evaluation (providing their correct NABP e-Profile ID and day/month of birth) within 30 days of event to ensure credit is transmitted to the NABP CPE Monitor. Step-by-step instructions on how to claim credit will be provided at the program. Any credit claimed greater than 60 days will be automatically rejected by the NABP CPE Monitor.

Agenda *(breakfast and lunch will be provided)*

7:45 a.m. Registration and breakfast

8:15 a.m. Welcome and introduction of speakers

8:30 a.m. Ending the Epidemics • Sharon Weissman, MD

ACPE UAN 0062-9999-20-050-L01-P, 0.75 contact hours

Objectives: Describe current HIV epidemiology and trends. Describe high impact prevention strategies.

9:15 a.m. HIV Treatment Update • Divya Ahuja, MD, MRCP (London)

ACPE UAN 0062-9999-20-051-L01-P, 0.75 contact hours

Objectives: Review updated treatment guidelines in HIV. Discuss new and emerging antiretroviral regimens for HIV.

10:00 a.m. Break

10:15 a.m. PrEP in a Gender-affirming Care Setting • Kamla Sanasi-Bhola, MD

ACPE UAN 0062-9999-20-052-L01-P, 0.5 contact hours

Objectives: Discuss modifying clinic practice to provide culturally competent care. Describe updated PrEP guidelines and integration of PrEP into clinical practice.

10:45 a.m. HIV and Primary Care • Jason Dahlberg, MD

ACPE UAN 0062-9999-20-053-L01-P, 0.5 contact hours

Objectives: Evaluate the role of the primary care provider in HIV management. Describe best practices for reducing co-morbidities in HIV-infected individuals.

11:15 a.m. HIV speaker panel interactive session: Case studies

Moderator: Divya Ahuja, MD

ACPE UAN 0062-9999-20-054-L01-P, 0.5 contact hours

Objective: Recognize clinical manifestations of HIV infection.

11:45 a.m. Lunch

12:30 p.m. Diagnosing and Staging HCV • Eric Meissner, MD, PhD

ACPE UAN 0062-9999-20-055-L01-P, 0.75 contact hours

Objectives: Discuss current screening recommendations and modalities for diagnosing HCV infection. Distinguish acute HCV infection, chronic HCV infection and cleared HCV infection. Discuss strengths and limitations of non-invasive modalities to stage liver disease in chronic HCV infection.

1:15 p.m. HCV Treatment Update • Divya Ahuja, MD

ACPE UAN 0062-9999-20-056-L01-P, 0.75 contact hours

Objectives: Discuss emerging developments in hepatitis C. Discuss appropriate treatment regimens for hepatitis C.

2:00 p.m. Break

Relevant financial relationships and acknowledgments of commercial support will be disclosed to participants at the conference. Faculty are required to disclose off-label/investigative uses of commercial products/devices.

Cancellation policy

No cancellations will be accepted after Monday, April 20, 2020. Substitutions are permitted.

Suggested hotel:

Hilton Columbia Center
924 Senate St., Columbia, SC 29201
803-744-7800

2:15 p.m. HCV and Substance Abuse Disorder • Alain Litwin, MD, MPH, MS

ACPE UAN 0062-9999-20-057-L01-P, 0.75 contact hours

Objectives: Discuss evidence-based models of care for improving HCV cascade of care for HCV-infected people who inject drugs. Identify simplified treatment paradigms for treating HCV-infected people who inject drugs. Describe rates of HCV reinfection among HCV-infected people who inject drugs and strategies to reduce these reinfection rates.

3:00 p.m. Interdisciplinary Care for the HCV Patient

Caroline Derrick, PharmD, BCPS

ACPE UAN 0062-9999-20-058-L01-P, 0.5 contact hours

Objectives: Outline and apply the HCV care continuum utilizing a patient case. Identify unique medication-related issues within the HCV population.

3:30 p.m. HCV speaker panel interactive session: Case studies

Moderator: Divya Ahuja, MD

ACPE UAN 0062-9999-20-059-L01-P, 0.5 contact hours

Objective: Recognize clinical manifestations of HCV infection.

4:00 p.m. Evaluation/adjourn
