CEU Program Presented By: Karen McGee, PharmD, CDE, BCGP - Geriatrics Faculty, University of South Carolina College of Pharmacy and Clinical Pharmacist, Prisma Health SeniorCare PACE

Pharmacist and Pharmacy Technician Learning Objectives:

At the completion of this program, the participant will be able to:

1. Define polypharmacy and its prevalence
2. Identify contributing factors and consequences of polypharmacy
3. Discuss de-prescribing and methods for medication assessment
4. Review polypharmacy cases and opportunities to prevent unnecessary medication use

Continuing Pharmacy Education: The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is accredited for 2 contact hours (0.2 CEUs) of live knowledge-based continuing pharmacy education for pharmacists and pharmacy technicians, ACPE UAN 0062-9999-19-120-L01-P/T.

Participants must sign-in at the beginning of the activity, participate in all active learning activities, respond to all learning assessment questions, and complete the online program evaluations at <http://cop.sc.learningexpressce.com> to obtain credit. Detailed instructions on how to claim CE credit will be provided at the conclusion of the activity: participants must create or update their Learning Express profile with their NABP e-Profile ID and birth month/day and complete the online program evaluations in order for credit to be submitted to the NABP CPE Monitor System. Complete their evaluations within 30 days of the program will ensure credit is transmitted; any credit claimed greater than 60 days after the conclusion of the program will not be accepted by the NABP CPE Monitor.

Fee: There are no fees associated with this program.

Target Audience: Pharmacists and pharmacy technicians

As dinner will be provided to all attendees and seating may be limited, please do not forward invitation.

Registration is required no later than April 30, 2019.
