The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. These activities are accredited for a maximum of 4 live contact hours (0.4 CEUs) for pharmacy technicians (UANs and credit hours as specified to the right).

To claim credit, participants must register for the event, have their attendance at the live event verified, participate in all active learning activities, and complete all learning assessments during the activity. Participants must attend an hour-long session in its entirety to claim credit; no partial credit will be issued. Participants must complete an online evaluation at <http://cop.sc.learningexpressce.com> within 30 days (providing their correct NABP e-Profile ID & month/day of birth) in order to ensure credit is reported to the NABP CPE Monitor. Detailed instructions will be provided after participating in the activity. The CPE Monitor will automatically reject all credit claimed and reported greater than 60 days from the date of participation. Visit our website to contact us with any questions.
