Pharmacists: The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. A total of 6 of the concurrent sessions are ACPE-accredited for pharmacists, and pharmacists may claim a maximum of **6.0 live contact hours** (0.6 CEUs) of knowledge-based or application-based continuing pharmacy education. Learning objectives, UANs, and other activity details are contained within the full activity announcement. To claim credit, participants must sign-in at registration and attend each concurrent session in its entirety (no partial credit will be issued). Pharmacists must complete an online evaluation at <http://cop.sc.learningexpressce.com> within 30 days (providing their correct NABP e-profile number and day/month of birth) to have credit reported to the NABP CPE Monitor. Detailed instructions regarding how to claim credit will be provided at the conference. The NABP CPE Monitor will not accept credit claimed and reported greater than 60 days from the date of the program.
