This continuing pharmacy education activity is designed for pharmacists.

Registration & Fee:

Registration: To Register, please visit: https://cop.sc.learningexpressce.com/index.cfm?fa=view&eventID=27420
Activity Fee: $15.00

Learning Objectives:

At the completion of this activity, the participant will be able to:
1. Describe pre-operative screening methods of patients for preventing misuse and diversion of opioids
2. Explain strategies for setting patient expectations about post-operative pain that promote conservative opioid use and enhance patient satisfaction
3. Review special pain management considerations for patients on chronic opioids, including patients on medications for OUD who undergo surgery
4. Formulate a surgery pain management plan for a patient on chronic opioids

Speaker Information:

 Lauren Linder Wier, PharmD, BCPP
Senior Research Associate, Co-Director & Clinical Pharmacy Consultant, SCORxE Academic Detailing Service, Division of General Internal Medicine, Geriatrics, and Palliative
Medical University of South Carolina (MUSC)
        Dr. Lauren Linder Wier indicated no relevant conflicts of interest
