The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program is accredited for a total of 1 live contact hour (0.1 CEUs) for pharmacists and pharmacy technicians (**ACPE 0062-9999-18-005-L03-P/T**). To claim credit, participants must sign-in and attend the entire program. No partial credit will be issued. Participants must complete an online evaluation (providing their correct NABP e-profile number and day/month of birth) in order to have credit reported to the NABP CPE Monitor. Evaluations should be completed and credit claimed within 30 days of the live program to ensure transmission to the NABP CPE Monitor. The NABP CPE Monitor will not accept any credit claimed and transmitted greater than 60 days from the date of the live program. *This is an application-based program.*
