Update on compliance with standards for sterile compounding with emphasis on USP chapters <797> and <800>

Course Description: This is a management level course for individuals who oversee sterile compounding facilities and are responsible for ensuring compliance with current minimum practice standards. The course will focus on the practical application of the “musts” and the “shoulds” from USP chapters <797> and <800> through the use of tools and best practice recommendations.

Target Audience: Pharmacists, pharmacy technicians, and other individuals who are practicing and/or responsible for compliance with sterile compounding standards.

Location of Event: The program will be offered at the Aseptic Compounding Experience (ACE) Lab, located at 715 Sumter Street, University of South Carolina College of Pharmacy Campus in Columbia, SC.

Program Faculty:

- **Richard Capps, PharmD**, Pharmacy Manager at Oconee Memorial Hospital in Seneca, SC
- **Shay Garrison, RPh, MPH**, Pharmacist Specialist at Palmetto Health Richland Hospital in Columbia, SC (*specializing in sterile compounding, USP <797>, and USP <800>*)
- **Bill Mixon, RPh, MS, FIACP, FACA**, Former Owner/Manager of The Compounding Pharmacy (*a Pharmacy Compounding Accreditation Board (PCAB) accredited compounding-only pharmacy*) in Hickory, NC
- **Eric Sparks**, President of BioTech Balancing

Disclosure: Faculty, planners, reviewers, staff, and CPE committee report no financial or personal relationship with any commercial interest producing, marketing, reselling, or distributing a product or service that appears in this program. There is no commercial support for this program.

Course Requirements: It is a strong recommendation that attendees read and review USP chapters <797> and <800> prior to attending the course. The participant must physically be able to stand for a minimum of 2 hours. Participant must also have full range of motion to complete physical tasks required in the compounding process.

Continuing Education Credit Requirements: To obtain continuing education credit, participants must sign in upon arrival, have attendance verified, attend the program in its entirety, and fully complete the associated online evaluation. Failure to complete the evaluation within 30 days of attendance may result in loss of credit. The NABP CPE Monitor will not accept credit submitted greater than 60 days from the date of attendance.
