May 17, 2025

9:00am - 1:15pm

Lowcountry AHEC
87 Academy Road
Walterboro, SC 29488

Description:

During this course participants will get a better understanding of current asthma management in the pediatric population, receive a vaccine update, and an update of new and current diabetes medications in practice. And lastly, participants will learn new ways to strengthen teamwork and provide more effective communication in and out of the workplace.

A Breath of Fresh Air: Overview of Asthma Treatment in the Pediatric Population

(1.0 hours, ACPE UAN 0062-9999-25-025-L01-T, knowledge-based)

Objectives:

1. Discuss the pathophysiology of asthma in the pediatric population
2. Recall pediatric asthma medication options and guidelines
3. Educate caregivers about helping patients with devices to help manage and monitor asthma

The Shot Clock: Review of Recent Updates to Vaccination Schedules

(1.0 hours, ACPE UAN 0062-9999-25-026-L06-T, knowledge-based)

Objectives:

1. Identify how vaccines work with the immune system for a lasting immune response
2. Discuss legal and regulatory updates impacting the provision of immunizations in South Carolina
3. Identify updates to the ACIP recommended vaccines for pediatric and adult populations in the period of 2023 to the present

Sweet Relief: Diabetes Management Review and Drug Updates

(1.0 hours, ACPE UAN 0062-9999-25-027-L01-T, application-based)

Objectives:

1. Discuss the pathophysiology of diabetes
2. Identify the 2024-2025 ADA goals for the treatment of diabetes
3. Compare different prescription and over the counter medications for diabetes treatment
4. Discuss new diabetes medications and devices recently introduced into practice

Teamwork Makes the Dream Work: Learning New Strategies to Strengthen Teamwork and Provide Effective Communication

(1.0 hours, ACPE UAN 0062-9999-25-028-L99-T, knowledge-based)

Objectives:

1. Identify key elements of effective teamwork
2. Review strategies to provide effective communication
3. Discuss emotional intelligence strategies to promote better workplace interactions

Speaker:

Nick Silvestri, PharmD; Clinical Pharmacy Specialist, Medical University of South Carolina (MUSC)

Continuing Education Credit:

Pharmacy Technicians: The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. These activities are accredited for a maximum of 4 live contact hours (0.4 CEUs) for pharmacy technicians (UANs and credit hours as specified in the Activity Announcement above)

To claim credit, participants must register for the event, have their attendance at the live event verified, participate in all active learning activities, respond to all learning assessment questions, and complete the online evaluations of each activity at <https://cop.sc.learningexpressce.com> to obtain credit. Detailed instructions on how to claim CPE credit will be provided: participants must create or update their Learning Express profile with their NABP e-Profile ID and birth month/day and complete the online program evaluations for credit to be submitted to the NABP CPE Monitor System. Completion of evaluations within 30 days of the program will ensure credit is transmitted; any credit claimed greater than 60 days after the conclusion of the program will not be accepted by the NABP CPE Monitor.
