Program Overview (Knowledge-Based Activities):

9:00 a.m. - 11:00 a.m.

The Foundation and Challenges of Controlled Substance Dispensing
(ACPE UAN 0062-9999-19-067-L01-T, 2 credit hours)

At the completion of this activity, the participant will be able to:

1. Describe medicinal and illegal uses of controlled substances
2. Identify best practices for the use of opioid medications
3. Explain the role of naloxone in modern pharmacy practice and emergency situations
4. Identify diversion habits and behaviors

11:00 a.m. - 12:00 p.m.

The ABC's of Legal Responsibilities in Pharmacy Practice (Law)
(ACPE UAN 0062-9999-19-068-L03-T, 1 credit hour)

At the completion of this activity, the participant will be able to:

1. List factors that create legal responsibilities in the pharmacy
2. List responsibilities of the pharmacy technician
3. Discuss the process in which professional responsibilities become legal requirements
4. Describe the role of law enforcement in conjunction with the pharmacy community

12:00 p.m. - 1:00 p.m.

The Med Rec Revolution: Medication Reconciliation and Prevention of Errors (Patient Safety)
(ACPE UAN 0062-9999-19-069-L05-T, 1 credit hour)

At the completion of this activity, the participant will be able to:

1. State the importance of medication reconciliation
2. Identify common errors discovered during medication reconciliation
3. Explain the roles of both pharmacists and pharmacy technicians during medication reconciliation and how they work together
4. Review medication reconciliation strategies

The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is accredited for a total of 4 contact hours (0.4 CEUs). Participants must sign-in at the registration table at the beginning of the day and attend the entire program to obtain maximum credit. Instructions on how to claim CE credit will be provided at the conclusion of the program. Participants must update their on-line profile with their NABP e-profile ID and birth month and date so that your record of attendance can be sent to the NABP CPE Monitor System. Participants must complete their evaluations within 30 days of the program to ensure credit is transmitted to the NABP CPE Monitor. *Any credit claimed greater than 60 days from the date of the program will not be accepted by the NABP CPE Monitor per NABP policy.*
