Learning Objectives

2016 SCCP Preceptor Conference: Incorporating the New ACPE Standards into Rotation Syllabi

At the completion of this activity, the participant will be able to:

- Discuss the new ACPE standards and guidelines regarding rotation syllabi development
- Create rotation-specific syllabi using SCCP's new standardized syllabi templates
- Map rotation-specific learning objectives and activities to competencies evaluated in SCCP's new evaluation tools

2016 SCCP Preceptor Conference: Incorporation of Self-Assessment to Optimize Preceptor/Student Pharmacist Interactions

At the completion of this activity, the participant will be able to:

- Describe a self-assessment tool used by the SCCP to improve self-awareness, social awareness and communication skills in student pharmacists and preceptors
- Evaluate personal results from self-assessment
- Analyze various results identified in student pharmacists
- Relate application of self-assessment results to improve student – preceptor interactions

Information: Call 803-777-0490

Statement of Accreditation

ACPE Program #0062-0000-16-033-L04-P (2 hours, 0.2 CEUs)
ACPE Program #0062-0000-16-034-L04-P (3 hours, 0.3 CEUs)

The South Carolina College of Pharmacy (SCCP) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This program is accredited for a total of 5 contact hours (0.5ceus). Participants must sign in at the beginning of the program and attend all sessions for maximum credit. No partial credit will be awarded. Instructions on how to claim credit will be provided at the conclusion of the program. Participants must complete an on-line program evaluation and update their NABP e-profile and date/month of birth to facilitate reporting to the CPE® monitor system as required. ACPE requires that credit be reported to CPE Monitor no later than 60 days after program completion. Any credit claimed after that date will be automatically rejected by the CPE Monitor.
