Target Audience(s)

Pharmacists Pharmacy Technicians

Accreditation(s)

The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Requirements for CE Credit

In order to receive credit for this home study program, participants must:

1. Read the learning objectives and faculty disclosures
2. Review the video presentation and engage in any suggested interactivity
3. Complete the program evaluation form.

In order for credit to be transmitted to the NABP CPE Monitor, participants must provide their month and day of birth and NABP e-Profile ID number. Registration with a proper disclosure of the NABP E-Id is a requirement for receiving Continuing Pharmacy Education. To register with NABP CPE Monitor or look up your NABP E-profile ID, please click on the CPE Monitor logo below to be directed to their site. Failure to follow this process within the required timeframe will result in loss of credit. If you would like a paper statement of credit, you may print an individual statement or a transcript from your NABP e-profile.

Support/Credits

Financial Disclosure: UofSC COP has a full and fair disclosure policy that requires course planners and faculty to communicate any real or apparent commercial affiliations related to the content of their presentation and materials. Participants are advised that the accredited status of UofSC COP does not imply endorsement by the provider of ACPE of any products/therapeutics mentioned in this course. The information in this course is for educational purposes only. Dr. Slane has indicated no relevant financial relationships.
